

Smart Waste Management System for Metropolitan Cities

TEAM ID: PNT2022TMID52326

IBM WATSON IOT PLATFORM

The screenshot displays the IBM Cloud console interface. The top navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (akash G's Account). The main content area shows a list of resources under the 'Internet of Things' category. The resources are organized into groups, with 'Databases' and 'Internet of Things' being expanded. The 'Internet of Things' group contains one resource: 'Internet of Things Platform-tz'. This resource is located in Frankfurt, is part of the 'Internet of Things Platform' product, and is currently 'Active'. The console also shows a status bar at the bottom indicating 'Waiting for 684d0d4...' and a 'Screenshot 2022-...' file.
